L. RICKETTS,
Inspector General of Forests.

FINANCIAL DEPARTMENT.

IMPERIAL POST OFFICE.

To—The Deputy Commissioners of Districts, Treasury Department, Circular No. 1712, *dated 13th March* 1889.

Consequent on the transfer of the Anche to the Imperial Postal Department with effect from 1st April 1889, and the introduction of the Imperial Postal arrangements into the Mysore Province from that date, the Comptroller has the honor under instructions from the Dewan to prescribe the following procedure for the custody and supply of postage stamps by the treasuries in Mysore:—

1. The instructions contained in Appendix 2 of the Civil Account Code which lays down rules for the custody and sale of postage stamps should, as far as applicable, be followed.

2. The Resident's Treasury, Bangalore, will be considered the Local Depôt and the District and Taluk Treasuries of Mysore as Branch Depôts.

3. The District Treasuries should indent for stamps, &c, from the Resident's Treasury and keep a stock sufficient for three months. The probable quantity required may, for the present, be ascertained by reference to the Superintendent, Post Offices, Bangalore Division. The Taluk Treasuries should have always a month's supply on hand and should be required to indent for fresh supplies every month. To enable the Imperial Post Offices in the Taluks which will be opened for work on the 1st April 1889 to commence business, the District Treasury Officer is requested to submit at once to the Resident's Treasury, Bangalore, an indent for a suitable supply of the several denominations of postage stamp labels, envelopes, and post cards for distribution to the Taluk Treasuries before the 31st March 1889.

4. Post Masters will generally indent for postage labels, &c., from the Treasuries once a week on a fixed day, except when unavoidable necessity arises, sending with their indents the value of the stamps required in cash minus the discount thereon at 3 pies per rupee. The amounts so received should be credited in the Treasury accounts under the head Resident's Treasury Jamakarch account and the indents sent as vouchers for the credit.

5. Payments on account of Post Office charges will be made by District and Taluk Treasuries on bills furnished by the Post Masters and charged in the Resident's Treasury Jamakarch account.
